

**Formation of working group in preparation of the National meeting of partners 2012  
Partnership for TB care and control, India.**

**Objective:** A working group of partners from the Partnership for TB care and control in India is formed to structure the agenda for conducting the national consultative meeting of partners with result oriented goals.

**Rationale:** With the end of term of the Steering Committee, a few members stayed on as the working group and included a few more interested partners in order to structure the agenda for the national meeting of partners. The working group will structure the role of the Partnership and help plan its 5 year strategy in supporting the National program.

**The working group will be working on the 5 agenda points with support from the Secretariat;**

- 1) Preparing for registration – pros and cons and way forward = Dr. Nalini ,
- 2) Defining the 5 year strategy with detailed work plan for year 1 = Dr. Abhijeet , Dr. Misra , Dr. Daisy
- 3) Working groups by thematic areas = Dr. Misra, Dr. Abhijeet, Dr. Daisy, Ms. Lalita
- 4) Voice of the affected communities = Mr. Sumit, Mr. Subrat , Dr. Abhijeet
- 5) Advocacy = Mr. Sumit, Dr. Satish, Dr. Vijay, Ms. Lalita
