

WORLD TB DAY 2017

PROGRAMMES AT MALANKARA SOCIAL SERVICE SOCIETY

Workshop for Youth Volunteers on TB care and control

Malankara Social Service Society, the State Focal Point of PTCC organized a workshop for youth volunteers on TB care and control on 23/03/2017 in collaboration with Project Axshya. The workshop intended to develop the engagement of youth in TB care and control with a focus to develop new skills and awareness on the dreadful disease. The programme was inaugurated by Fr Bovas Mathew, Director of Malankara Social Service Society. Ms. Archana a young artist, Mr. Meril Joseph, Youth Councillor, Mrs. Jincy SS, Center Manager of DDU GKY project and Mr SintoGeorge, District Coordinator of Project Axshya felicitated on the occasion. A poster presentation was also organized in connection with the workshop and the best posters were awarded. The workshop was facilitated by Mrs. Bindu Baby, Project Coordinator of TB programmes. Mr. Rajan M Karakkattil, State Focal Point of PTCC coordinated the event.

FrBovasMathew, Director of Malankara Social Service Society inaugurated the workshop.

Mrs. BinduBaby, Project Coordinator facilitated the workshop.

KITE FEST 2017

A Kite Fest in connection with TB day 2017 was organized in collaboration with Project Axshya at the Sangumukam Beach, Trivandrum on the eve of the day. The programme was planned to provide public awareness on TB and its handholding services by the Government and the Civil Society participation. A skit on TB was specially organized by the DDUGKY students which acclaimed good response. The programme was inaugurated by FrBovasMathew, Director of Malankara Social Service Society and facilitated by Rajan M Karakkattil, State Focal Point of PTCCI-Kerala.

FrBovasMathew, Director inaugurated the function and Mr Rajan M Karakkattil looks on.
